

Are you a British-Pakistani Woman?
Have you recently had Gestational Diabetes?
(diabetes in pregnancy)

I'm a doctoral researcher at Warwick Medical School looking into the experiences of British-Pakistani women with Gestational Diabetes to help improve their care and health outcomes.

Take part in my survey!

- Are you a British-Pakistani woman?
- Are you over 18 years old?
- Do you currently have Gestational Diabetes or been diagnosed within the past year?

Chance to win 1 of 20
£10 gift vouchers!
